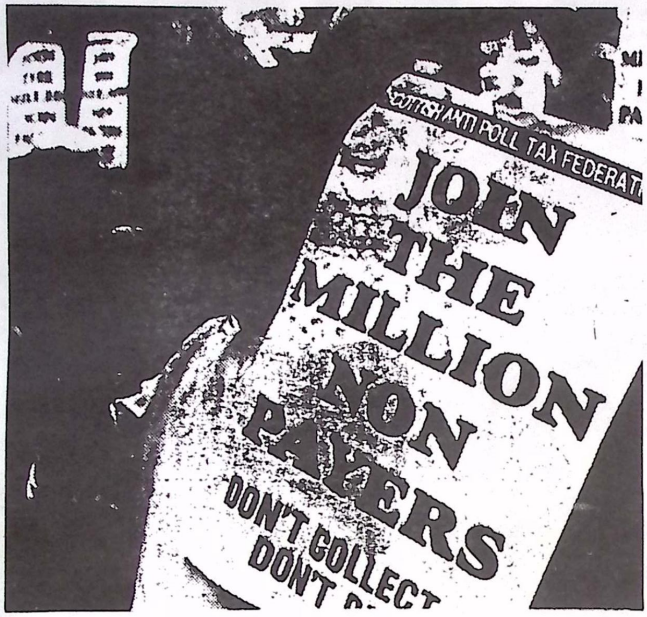
BACK TO THE FUTURE



POLL TAX BLACKSPOT

MILITANT OPPOSITION TO THE HATED POLL TAX CONTINUES TO BE A THORN IN THE SIDE OF THE TORY BASTARDS.

The Tory rulers of Scotland, have been in the receiving end of most of this hatred. Recently a crowd numbering over 300 people held a mock auction outside the Edinburgh home of the Scottish Secretary of state, Malcolm Rifkind.

Amongst Rifkind's "personal" items auctioned were his "old school tie" (which was described as being "better than an American Express card") and the silver spoon the despicable piece of vermin was born with in his gob.

OCCUPIED

After a short protest the crowd began to get restless and about 80 or so decided to "visit" the Scottish Office. After a brief attempt by security guards to stop entry to the building, it was occupied.

Banners were dropped from balconies and stair wells, and a right old sing song began. Eventually the Plod arrived, bemused that the protesters had reached the Scottish Office before them.

SCUM AND LACKEYS

At both these protests in defiance of the poll tax, and the use of warrant sales, the message was clear;

That if the Sheriff officers attempt to hold a warrant sale in any working class area, in any city in Scotland, then they should be prepared to meet fierce opposition. And we, the working class, shall have no fears or qualms about using any means, and force, necessary to repel these disgusting attacks on working class people, by the scum and lackeys of the state.

As one protester put it, "If they (Sheriff officers) dare to come into our housing schemes, they'll need more than the Police, Territorial army, and the S.A.S. to get them back out in one piece."

DESPITE A DISMAL RAINY DAY ABOUT 5,000 PEOPLE PROTESTED AGAINST THE POLL TAX IN GLASGOW ON SAT 18th NOV.

This was a march and rally through the city that has been dubbed "A poll tax blackspot". Official figures show that over 23% of the people here are refusing to pay.

SUCCESS

These figures don't even take into account the many, many, thousands who haven't even registered, or the thousands more who paid earlier instalments and have since stopped due to the success of the Anti poll tax campaign.

So go on, and help to make your town or city, a POLL TAX BLACKSPOT!

It may of taking Her a year more than we thought, but he finally got a right stuffing!!!

BACK TO THE FUTURE

Anyone listening to the ramblings of the new exchequer, will remember him saying that the "boom" years we have been having are coming to an end.

Really, we hadn't even noticed the "boom" in the first place! Unless of course, continued massive unemployment, a "credit economy", more part time workers than ever before, and the complete polarisation of the classes etc, are in fact signs of a "boom" years!

It may have been a "boom" for property speculators, yuppie "fly by night" stock dealers, insider traders, and other such scum, but for the rest of us, it's just the same old story.

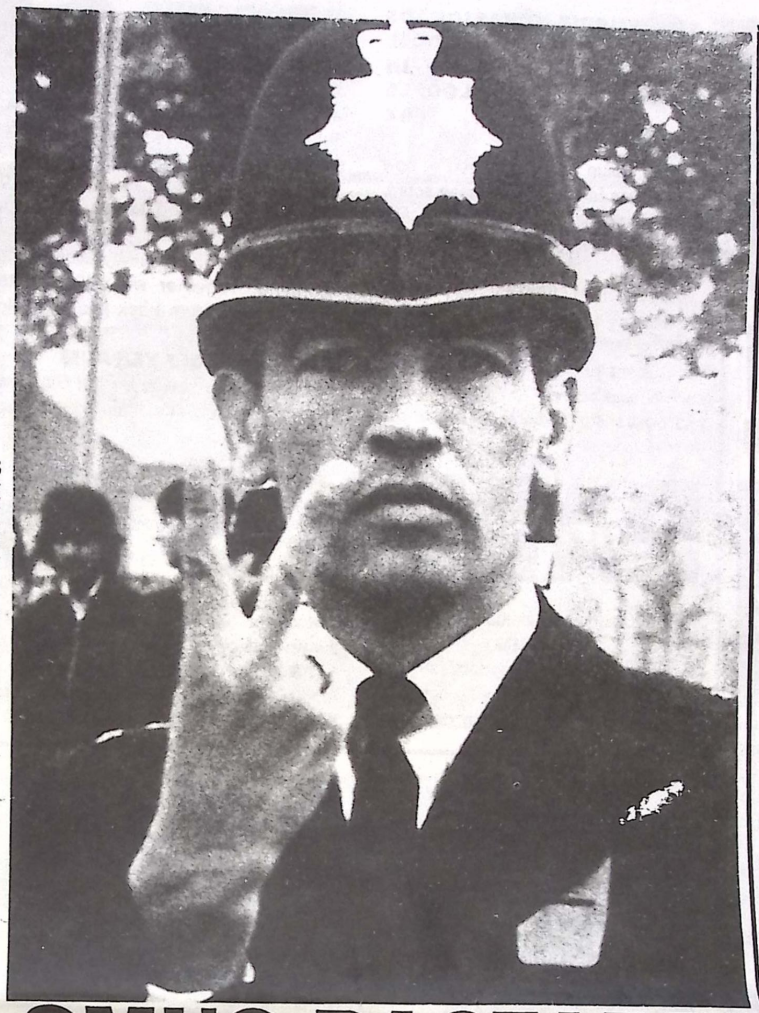
NOT HOSPITALISED COPPER

WE MUST HAVE NO ILLUSIONS ABOUT THE POLICE. WE MUST BE CLEAR THAT THE POLICE ARE THE INSTRUMENT OF THE RULING CLASS. THEY ARE NOT NEUTRAL AND DO NOT EXIST FOR YOUR BENEFIT EVEN IF THEY SOMETIMES APPEAR TO.

THE POLICE CANNOT BE "MADE GOOD" SO THEY MUST BE SWEPT AWAY. WE DO NOT DENY THAT INDIVIDUAL POLICE OFFICERS MIGHT FOR EXAMPLE, BE NICE TO THEIR GRANNIES, NOT KICK THE CAT IN THE MORNING AND EVEN BE AGAINST NUCLEAR POWER.

THE WHOLE POINT IS THAT IF THEY ARE TOLD BY THEIR 'SUPERIORS' TO HIT PEOPLE OVER THE HEAD WITH A *TRUNCHEON* THEY WILL, BECAUSE THEY WON'T BE IN THE FORCE FOR LONG IF THEY DON'T!



SMUG BASTARD!

MR R. BRANSON AN APOLOGY

Class War balloon makers apoligise most sincerely to Mr R. Branson for the premature destruction of his hot air balloon, before it got of the ground.

It was of course designed to break up at 30,000 feet, whilst travelling at 300 mph, in mid-Pacific.

Unfortunately the two day delay meant the glue, which was designed to come unstuck well into the flight, did so on the ground.

We have improved our workmanship, and can assure Mr Branson that our new design is guaranteed to deflate well into the flight.

We also do a good line in parachutes which all rich bastards are urged to wear when pouncing about in a fuckin balloon while we're slaving about down here!

AMBO AGGRO ESCALATES!

AS WE GO TO PRESS, AMBULANCE WORKERS ARE ENTERING THEIR ELEVENTH WEEK OF INDUSTRIAL ACTION OVER PAY.

Health chiefs have offered them a pathetic 6.5% rise against their claim of 11.14%.

To add insult to injury, ambulance crews have been told that they are not an emergency service, and don't deserve a inflation linked pay rise like firefighters and the filth.

Initially the ambulance crews imposed an overtime ban which stretched the service to its limits, especially in London.

In an attempt to publicise their cause, ambulance workers staged a three day hunger strike near the houses of parliament. (see picture)

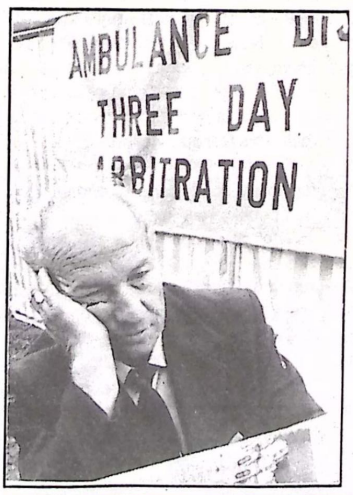
ESCALATION

Now the dispute has escalated dramatically. Crews in London have been suspended for refusing to operate their radios, as instructed by management, and the army and police have been sent in.

However crews are occupying their stations, and are answering any 999 calls put through to them, without pay.

All ambulance crews across the country have imposed a ban on most non-emergency work. More suspensions, docking of pay, and further use of the army and police to answer 999 calls are imminent.

However ambulance controllers are refusing to put through calls to the police and army, and are phoning suspended crews direct. As we go to press, the London ambulance controllers have walked out in support of the crews, leaving managers to do the work, they are failing hopelessly to run the service, and are resorting to Faxing the army crews!



Ambulane worker Brian Murray on hunger strike. Mr Murray rescued Norman "oops, where's my balls" Tebbit after the Brighton bombing.

WORKERS CONTROL

This battle is one of the most inspiring struggles for some time now. Workers have learned from previous struggles, and are aiming their action at the bosses, and not the public.

The occupying of stations, and non-cooperation by controllers, have meant that in some areas, the service is under direct workers control. With the slimy "managers" frozen out at every level.

We should have let that bastard die!

The public support the crews have been getting is incredible!

The dispute has really bought out peoples hatred of the Tories and the "do as I say, or else" type bosses.

However, so far at least, the crews have not really exploited this support. Their demands of the public have been limited to signing petitions, writing to MP's, donating money and honking car horns.

LOCK OUT

Assuming the Tories don't give in, the next big escalation in the dispute is likely to be the suspension of crews in all areas, and a nationwide mobilisation of the army.

It is possible that the bosses will try to get the upper hand by locking out crews from their stations, or even handing them over to the army to run.

There have already been threats of prosecution against suspended crews who are driving without insurance cover.

BRIGHTON BOMB

As a final note; if this dispute had happened when the Tories got bombed in brighton, perhaps the crews might have had second thoughts about replying to certain 999 calls!!!

DO THE BASTARDS MOTOR!

EX-MERSEYSIDE MILITANT BOSS, DEREK "FLASH BASTARD" HATTON HAS RUBBED YET MORE SALT INTO THE GAPING WOUNDS, THE MILITANT TENDENCY SUFFERED, SINCE HIS NEW LIFE AS A "PUBLIC RELATIONS" CONSULTANT HAS SURFACED.

Delboy Hatton, seen by millions flerting with the life of a playboy. Page 3 girls, posh Champagne dinners, etc. Now has shown his utmost comtent for the working class, which with his Trot group he claimed to champion, by coughing up the dough to buy a YUPPIE motor!

TOERAG

Delboy's, 32 grand Jag (pictured here) is capable of 155mph, and even has a Yuppie car phone! Toerag Hatton has had his personal number plate "DEG5Y" transfered from his old Jag.

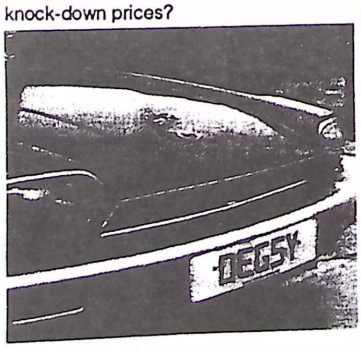
A local who lives near Hatton's work said, "He loves to flaunt himself in his new Jag, but people round here do not respect him for it. They think that it proves he was a complete PHONEY when he ran the council"

Hatton flaunting his true colours (Blue), must really stick in the throat of Liverpudlian's, who have taken a right battering these past years from the Tories.

PARASITE

But never fear, CLASS WAR comes to the rescue! We are offering the usual pack of goodies (T-Shirt,Sub,etc) to the first person to send us the Jaguar figure from the front of this parasites motor. On the condition that severe damage is done to the rest of the car also!

PS. Where did surcharged Hatton get the dosh from? Perhaps from the consultantcy he does for the consortium of property developers who have snapped council land in Merseyside for knock-down prices?



PADDY'S MARKET

THE YUPPIE INVASION OF BRITAIN HAS SEEN MANY LOCAL AMENITIES BEING CUT, IN CITIES EVERYWHERE LOCALS ARE FORCED OUT, THE PORCHES MOVE IN...

In C.W. Issue 35, we told you of how Glasgow was falling prey to these scum, now we hear that Paddy's market, well known to every native of Glasgow is under threat.

Paddy's market is a place where bargains are to be bought, and livings are to be made. That is until now!. The most recent news is that the Briggait which is situated next to Paddy's market is to be transformed into an expensive night club and entertainment complex.

SCUM

This new £475,000 modernisation will be there to accommodate the rich scum as they move into the recently developed "Merchant City" area.

Already over one hundred street traders have been moved from their stalls in Shipbank lane and Merchant lane, to make way for a new car park. But now those people have nowhere to go and may go out of business.

We have seen marches and demonstrations trying to keep Paddy's market going. But that won't get rid of the real reason behind why Glasgow is changing. Together we will have to chase to rich scum back into the hole they crawled from.

GET OFF YER BUM

THEY are the reason behind Glasgow changing. So lets stop them now, before its too late, lets keep the real Glasgow, the workers city, ALIVE!

PS Does anybody want to buy a ticket for next years concert in the S.E.C.C. by Italian opera singer Luciano Pavarotti...the CHEAPEST one is a mere £75. Cheap at twice the price...

STOP PRESS. Do you want to do something about fighting back? Then get off yer bum and get in touch with Scottish CLASS WAR, address on contacts page further on...

GLASGOW

RICH

AS REPORTED IN THE LAST RED-HOT ISSUE OF CLASS WAR, THE YUPPIE INVASION HAS REACHED THE CITY OF DUBLIN, EIRE.

Now, for a further update on what promises to be a very "interesting" situation, read on...

Clondalkin and Tallaght (scene of much anti-cop trouble, more later on that) on Dublin's southside are among a handfull of areas of south Dublin that are working class.

In the 60's the traditional working class areas, in inner Dublin, were pulled down. Thousands of people were dumped in the sprawling rural ghettos on the outskirts.

Tallaght (one of these areas) has 70% unemployment, and most of the population is under 20. Amenites are non existant, there are no trains into the city, and only TWO buses each day!

BROWN NOSING

The new yuppie areas along the coast have their own commutter train service, and buses that run EVERY FIVE MINUTES! plus all the usual yuppie cars, Merc's, Porches etc.

Not supprisingly the working class youth gets pissed right off!

In line with the Irish goverments policy of brown nosing to everything the English Tories do, Ireland is now set for a yuppie development similar to London's "Docklands" developments.

The old warehouses in Dublin docks have been pulled down to make way for a "financial services centre". This yuppie disneyland will include leisure facilities such as Marinas, posh hotels, Bistro's, riverside walks etc.

YUPPIE INVADERS

A concert venue has already been built - tickets will cost a MINIMUN of £20 each. Now the developers want to pull down local council housing, to build "studio flats" for the yuppie invaders! The tenants are already gearing up to resist this forced eviction.

Several sites have been earmarked for luxury hotels, and Dublin's Hilton will be opening very soon.

The only reservation the Irish youth are making, IS OUT emigration is running at well over 40,000 per year. (no reporting of this exdiuos on TV, unlike E.Germany)

EXODUS

So what the fuck are people doing about this? Well don't worry, the youth have got a very clear idea about why this is doing on, and the Law are geting a right battering for it.

The Garda (Irish cops) have recently atmited that whole areas of S.Dublin are "No go areas".

In Ronanstown, one Garda said; "the area is totally out of control. Gangs of up to 200 strong regularly congregate to stone the Garda Station here"!!! A common tactic is one that regular readers of CLASS WAR will recognise.

Stolen cars are driven slowly around, waiting for the cops to chase, then they are ambushed by gangs, who arewaiting at pre-aranged points.

'NO GO' GARDA

ENCOURAGING

In one incident recently; a stolen Saab was chased by a Garda patrol car, the driver slowed right down so the cops could catch up, then it led them through areas where up to 100 people were standing on street corners.

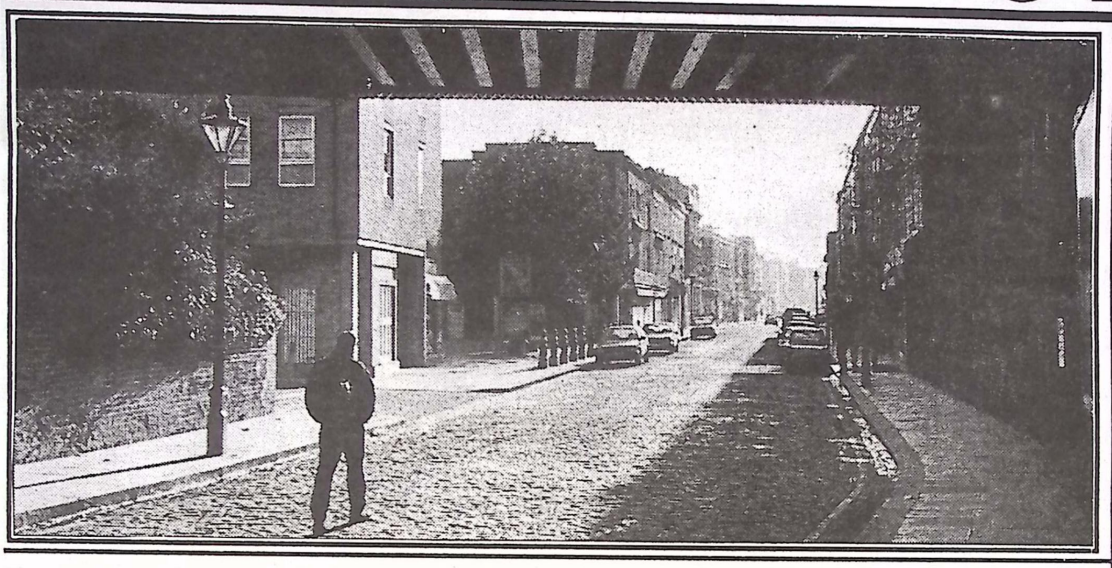
The Garda car had all its windows and lights smashed, as well as very badly damaged bodywork!

It all sounds very encouraging to us!

The rich, those in power, and their protectors, must learn that we will not tolerate shity lives, full of poverty, frustration, anger, and no say in how we wish to live.

They must learn it at the point of a brick or bottle, it's the only language they understand, and the one they use to keep us down.

PORTOBELLO STORM



ATTEMPTS BY KENSINGTON AND CHELSEA COUNCIL TO TURN PORTOBELLO ROAD, IN LONDON'S NOTTING HILL, INTO YET ANOTHER "CUTSIE" UPMARKET, COVENT GARDEN ARE BEING MET WITH FIERCE RESISTANCE.

At present, Portobello road is a mixture of overpriced antique shops, "normal" everyday shops, and fruit and veg stalls, all set along a (weekday) busy local road.

Describing the fruit and veg market as an "eyesore" the councils consultant engineers - Halcrow Fox - aim to turn the street into a six-day a week goldmine for the posh antique dealers, and get rid of the fruit and veg altogether.

LOLLO ROSSO

This would be well inline with the recent developments towards a complete "gentrification" of the whole area.

The Colville and Golden Cross pubs turned into expensive and exclusive bar restaurants. The manager of the Market Bar - formely the Golden cross has said;

"This bar will sell no bitter, no cider, no Guiness, no pints. The wrong sort of people care for those sorts of drinks"

EXACTLY! The plan is to push working class people out altogether, and *populate the area with designer yuppies who eat Lollo Rosso lettice and Mange Tout from Waitrose.*

RESISTANCE

Part of the street has been "cobblestoned" to give it "character", something Portobello has never been fuckin short of!

Nearbye All Saints Road is now full of art galleries and brass streeet lamps - part of Notting Hill police chief - Pearman - attempt at "policing by design" ie you don't need heavy duty policing if you can force the working class out by politicaly motivated redevelopment.

Angry local traders and residents gave the Halcrow Fox consultant, a unanimous pasting at a packed public meeting at the Tabernacle in Powys Square and followed up with a their own where a committe was elected to coordinate the resistance campaign.

FLED

The following week's council meeting was taken over by local people. The councillors fled as the mayors seat was occupied, and the meeting stopped when they refused demands to chuck out the scheme.

However a lot of people are still under the illusion that petitions with thousands of names on, and polite lobbying will changs anything.

IT WON'T. Only active physical opposition in the streets at the first sign of moves by the developers will stop the plans. There's hundreds of people in Portobello already committed to such a fightback.

Watch this space!

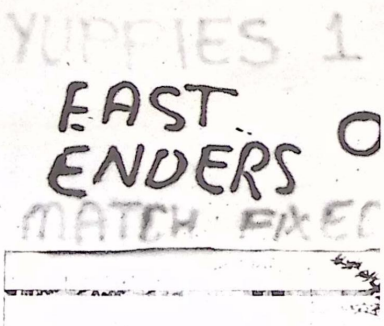
HOPPIN MAD YUPPIES



Tenants vent their anger

YUPPIES IN THE POSH, ST.THOMAS MOORE DEVELOPMENT, EAST LONDON, ARE HOPPING MAD WITH THE DEVELOPERS OF THEIR LUXURY FLATS.SO MUCH SO, THAT THEY ARE SUING THEM FOR OVER A MILLION POUNDS.Why is this, faulty workmanship? Does the avocado front door clash with the colour of their porscho? No, its because they have got to live next door to WORKING CLASS PEOPLE!!!

Apparently the developers had to turn over a third of the properties, to the council, in return for planning permission!

GUTTED

The council have put in people who were living in Bed and Breakfast's.

Those rich bastards forked out over £170,000 for their flats, and are now living next to ordinary people who only pay £60 a week. Ha! Ha! Ha!

And what makes the rich scum really gutted, is that under the Tories right to buy laws, for council tenants, they could end up buying their homes for only £30,000!!!

CLASS WAR has great sympathy for people who have to live next to yuppies, but its a great opportunity to wind them up. They could wave their rent books at the yuppie bastards to really rub it in!!!

Sir Thomas More Court estate

IT'S A FUNNY OLD WORLD

Recent reports of coppers suffering bad backs, brought on by hours spent sitting in the back of riot vans, has spured CLASS WAR into action!

Us generous bastards, are now offering a unique service to are aching boys in blue.

Simply phone the hotline with your name, rank, and address, and we'll have our own hand picked team of massures coming round and sort out any back problems, FOR GOOD!!!

BENEFITS OFFICER BEATEN OUT

A SENOIR COUNCIL OFFICER, FOR HOUSING, IN GOOLE HAS BEEN RUN OUT OF TOWN AFTER A SPATE OF ATTACKS.

Adrian Wilkinson, responsible for stopping benefits for Booth Ferry Council. Was the victim of a well-planned campaign of intimidation. His posh house had, ***SMASH!*** - Windows put through. ***SLURP!*** - Paint thrown over it. ***CRUNCH!*** - His car booted in.

Threatening phone calls were also the order of the day. Scaby Wilkinson couldn't take it any more, and FLED to London putting his house up for sale.

Ha ha ha.

WRONG BILLING

A traffic cop dropped a clanger with his new "spy" video camera.

When he stopped a speeding driver near Rugby, Warwicks', and played back the video, a home made hard core porno film, with REAL pigs came up on the screen!

The naughty porker had loaded up his camera with the wrong film, and he now faces charges of cruelty to animals!

JOKE SPOT

Q - Whats the difference between a dead yuppie and a dead hedgehog, who are both lying in the road?

Q - Why's it better to use yuppies than animals in laboratory experments?

A - *The lab technicians don't get so attached to them!*

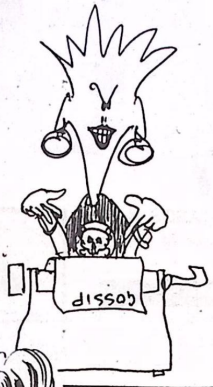
IF YOU THINK THAT BY VOTING FOR THE LABOUR PARTY, THIS WILL NOT HAPPEN TO YOU OR YOURS ..... *THINK AGAIN!*

SALLY SKULL



SHAG HAPPY

MY HEART BLEEDS FOR POOR OLD TV "SCAB BASTARDS" AM.

Angry viewers bombarded the switchboard with calls, following an attack, by the critic NINA MYSKOW, on how FERGIE, THE DUCHESS OF PORK, was cashing in on the "book" Budgie The Helicopter.

"I think this woman in her vulgarity is dragging the Royal family down to an unacceptable level" said Nina.

And just to rub it in, she added that when Fergie appeared in TV's, It's a Royal Knockout, she was like a "a cow thats just charged through a washing line"

One irate viewer who called in, (so my sources tell me) screamed; Nina's got no right to slag off Fergie. Fergie's bloody great, at least she's up front about being a USELESS, SHAGHAPPY, MONEY GRABBING, RICH BASTARD.

It was music to my ears, I couldn't of put it better myself. PS. The Duchess of Pork, was all set to take THE DAILY EXPRESS to court, over nonpayment, of half her whopping £125,000 fee of ONE interview!

They refused to pay up because in the interview she said she had no plans for more children. Then THE SAME DAY she announced to the world that she was pregnant!

My source at the EXCESS, said, "She took the piss right out of us, we fronted her all that dosh, and she lied to us"

Only the intervention of "Old Horseface" (the queen) stopped her flatulance from issuing writs. She felt that having a royal chasing dosh through the courts would be "unacceptable"!

HALF COCKED

HOLLYWOOD STAR, TOM CRUISE, FAMED FOR HIS ROLE AS A MACHO, MINDLESS, BLOODTHIRSTLY, AMERICAN MORON, IN "TOP GUN". HAS BEEN BOOTED OUT OF BED!

Cruise's wife MIMI, has given him his marching orders, and friends say, "It's for good". According to American sex clinic sources, the problem was with cruise's own "Top Gun", appartenly he's both IMPOTENT and INFERTILE!

Cruise is so fanatical to get a child and prove himself "real man" that it drove poor Mimi mad, and she through him out - Top Gun 'n' all!!!

Now, it's not a laughing matter to suffer either of these problems, but Cruise, who has consistantly been ultra-patriotic and anti-communist, deserves everything he gets!

I-SPY

Files recently revealed by the FBI, have shown that cowboy film star John "Big leggy" Wayne, was a raving right-wing loony!

"Leggy" used to write long, involved letters to FBI boss J. Edgar Hoover, listing Hollywood stars as Moscow trained agents!

Amoungst others he denounced, were Humphrey Bogart and Edward G. Robinson.

"Leggy" was also duped by conmen who persuaded him to part with over 400 grand to finance a right wing coup in Panama.

The leaked files show that he lived a fantasy life, of a ultra-patriotic fighter, that very often made him "unbalanced and deranged"!

WHAM BAM!

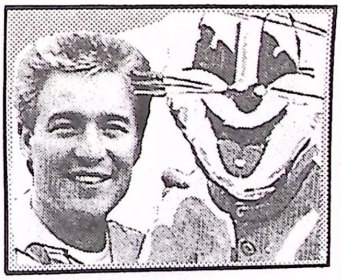
When ex-Wham! star, ANDREW RIDGELEY, opened his swanky new wine bar, 92's, in Rickmansworth, Herts. It went with more of a BANG then he'd planned! A whopping, 800, FREE tickets had been given out to local youths. Inviting them to the opening night party.

But when they arrived, they found they weren't allowed in, because the place was full of Ridgeley's pop star friends.

Whilst the yuppies sipped their Champers, the youths went wild and BEAT on the windows, and ATTACKED the lackeys hired to protect the stars.

One local angrily said; "I couldn't believe it, we were treated like peasants"

RUN RABBIT



THE SMASH HIT TEAM "JIVE BUNNY"

Have been exposed as being produced by a SCAB miner, Les Hemstock.

Les was a face worker at the pit and during the strike scabbed, hoping he wouldn't be recognised he used to lie on the floor of the coach every morning.

Needless to say, don't expect to hear "Swing the Mood" at any miners galas this year!

Run rabbit, run rabbit, run, run, run!!!

STRING HER UP!

CILLA BLACK'S FORTHCOMING TV SHOW, "GOODBYE TO THE EIGHTIES" HAS GIVEN ITV THE EDITING JOB OF THE DECADE!

When Maggie Thatcher was introduced to the 2,000 strong audience, as "Woman of the Decade" the BOOS, HISSES and DERISION were so loud, and long, that not one word of Thatchers speech could be heard!

The row was even louder when Ron "Hopalong" Reagan was announced as MAN OF THE DECADE (are they thick or what) Cilla was heard to say later, "That was the most difficult night of my showbiz carear, if Thatcher had been there live, they would have strung her up"

"DIRTY, LAZY, NUM

"SWEET FUCK ALL"

MANY PEOPLE WHO LIVE ON THE HOUSING ESTATES IN SALFORD (MANCHESTER) LIVE IN FEAR.

They fear their homes will be burguled, and the women live in fear of being raped and beaten-up. Every other night a pensioner somewhere in Salford gets his or her front door bootin in and their money and possesions nicked.

What are the LABOUR councillors and police doing about it? They are doing absolutely sweet fuck-all. What are the police good at?

They are good at slapping the youth about. Beating up the local drunk. Bedding down the local prostitute. Planting evidence (Fitting-up) Visiting chosen pubs to drink after hours. Parking their cars/vans out of sight so they can have a sleep. Driving down the road/street with the blue light turned off (in case any member of the public need their help, they won't be able to see them).

How come you may ask? Well its like this you see. THOSE DIRTY, FUCKING LAZY, MUMBSKULL BASTARDS don't want the unneccessary work of writing out reports.

"BRAINLESS"

People's rights are being trampled underfoot by the salford police.

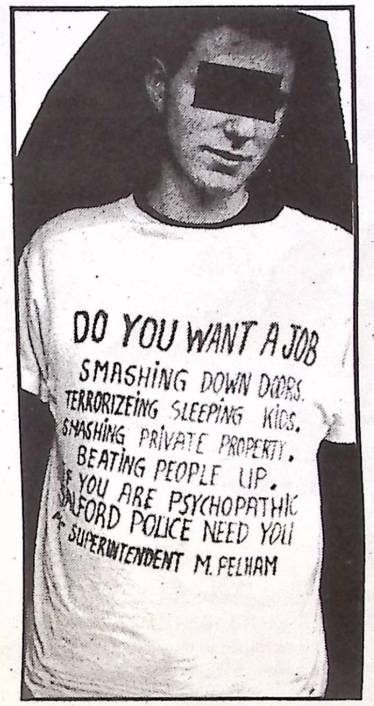
On the Ist of November 1989, plain clothes officers chased a 17 year old youth down a local street. Nothing new there you may say. But when they caught him, he was picked up of the ground, and thrown into a weely-bin, head first. While Detective JEFF BAINS (one of the cops) and his pals were seen to rain blows on him with their fists.

The youth was kept in the bin for 15 minutes, with greesy Det.Jeff Bains sitting on top of the bin laughing his fucking head off (the smelly little gnome)

SPIRIT

Three women who protested, and demanded the youth be let out of the bin, were told to "Clear off, and mind their own business".

One lass who "Brainless" Jeff Bains called a slut and a slag, didn't know he was talking to a woman with SPIRIT. The woman went to the police headquarters and wrote out a complaint.



As a result "Brainless" Bains was called in off the beat. That stopped him from laughing! Especially as the woman making the complaint took a taperecorder with her (good move).

Since then "Brainless" will soon have to buy a new set of tyres for his Red Sierra (F928 MJR) because he's been round her house that many times to apologise in the hope she'll drop the complaint.

RABID

We sincerely hope the "Y" team (no. they're not a collection of underpant sellers, though thats not too far from the truth, they're meant to investigate the activity of cops) get around to investigating "Dozy" Malvin Pelam's running of the Salford police.

While Pelam hob-nobs with his Yupple friends, the likes of Salfords Labour councilors, the rabid and infected drugs unit (D.S.U.) go about the business of beating people up and terrorising whole familes asleep in their beds.

And all the Police need to smash up a familes home is a piece of paper that

FOR YOUR INFORMATION

If your a grass of informer to the authorities then your scum. This is the clear message coming from Salford as Dibble fails miserably at their various 'back door' policing techniques.

PAUL MASSEY WITH CAR, TRACKING DEVICE + CLOSE UP.

The home watch schemes, though quite popular, are clearly seen as an excuse for social control, NOT as an effective way of tackling anti-social crime.

I mean, asking home watch groups to report on how many visitors certain people in the street are getting, etc. Isn't doing much to stop old ladies getting mugged!

CHILDRENS STORIES.

In this area cops have sunk low they're completely lost sight of the rest of us. They go into schools and get the kids to tell them what their familles do, whether they sign on, work...or both.

The teachers seem to overlook the fact that Dibbles not there to talk about road safety, and many of them, especially the lefty ones, should not be letting this go on.

THE WAGES OF SIN.

The police also employ paid informers. These are either just busy-bodies, or crooks that Dibble have done deals with. The super-grass ex-cons are the most dangerous. One was spotted in the Thunderdome Club, in disguise, pointing out "criminals" to his plain clothes cop chums.

Well the posh flat he got for his information, may well not have seen worth it. After the well deserved beating that locals recently gave him.

And beating the informers is the name of the game at present. Firstly, thousands of "Don't get caught" leaflets (see C.W. 35) went round. Since then regular use of scanners to search for informers on Police frequency radios, is going on.

This has forced the informers to go "landline" (use the phone instead). Generaly scanners are usefull for keeping us wise to Dibble.

SECRET AGENTS

Technology has always been important to the cops. Now were on to it as well, they're getting increasing more desparate. They may have to spend millions buying in scramblers for there radios.

They already use survellence equipment that includes bugging devices. One such device was found by Salford lad Paul Massey (see photo). Paul was framed by grasses, and spent six years in nick for something he never did.

He recently found a tracking device under his car. He was wondering why wherever he went the cops went too!

CLOSING RANKS

So, while the cops are resorting to hassling young children and using James Bond technology, the working class are beginning to close ranks over crime and community action.

For us the message is clear. Beware of informers and DON'T talk to the cops. Keep your eyes open, your ear to the ground and your MOUTH SHUT!

BSKULL BASTARDS"

has 'acting on information recieved" written across it (search warrant).

And if you demand to know WHAT information, and from who, Det Rocksbouree (more filth!) always says; "We don't have to divulge our sources, or informants name".

JUSTICE

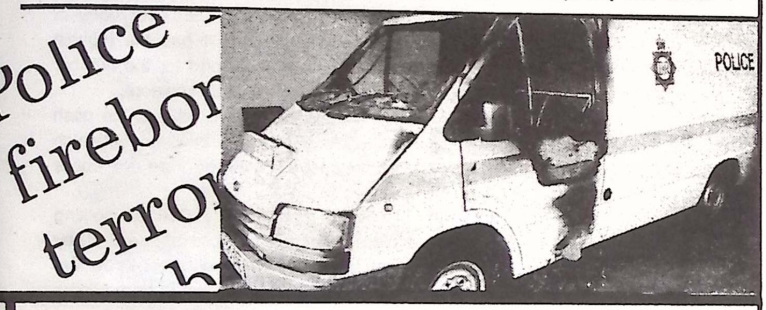
Now, people in Salford are beginning to fight back, and the Police are definatly worried. The summer saw many attacks on the filth (see CW 36) and even as we go to press, news is coming in of a petrol bomb ambush on the filth.

A bogus 999 call was made, luring the filth to Sunnyside Court in Ordsall. When they arrived, and had left their van, it was bushwacked, and the pig-mobile burnt out! (see pic) This attack was in retaliation for a recent raid in the block, which the law went right over the top on.

Superintendant Pelam and the thugs that serve under him will have to watch every move they make from now on.

More and more people are seeing the need for our justice, for our streets. Whether your a woman minding your kids, an acid house fan, or an old age pensioner, whatever your up to in Salford you'll find the cops worse than useless.

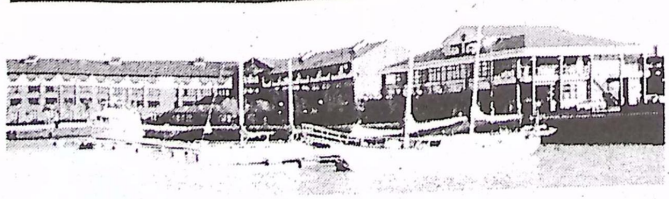
The old sayings true - there's never one about when you need one, but by God, when the last thing you need is a mob of cops near by, they'll be there!



BONFIRES

In the photo above, are some kids from the Ordsall estate in Salford. They re about to throw a stuffed Yupple (unfortunately not a real one) on to a bonfire.

A couple such yuppies were thrown onto bonfires on Nov 5th. Never mind Guy Fawkes, as you can see by the smiles on their faces - this was a lot more fun!



HATRED

THE SEVERAL PHOTO'S ON THE LEFT HAVE ALL BEEN TAKEN FROM THE SQUARE MILE IN SALFORD THAT ENCOMPASES THE NEW YUPPIE DEVELOPMENTS ON THE QUAYS, AND THE ESTATE OF ORDSALL.

Ordsall has the highest rate of child deaths related to malnutrition in the country.

There is no "inbetween" dividing these two communities, just lots of money on the one side of Trafford road, and hardly any on the other.

It's not a question of voting for a Labour goverment to sort out these class differences. It's a mater of forcibly taking what should be ours of the scum who show off their posh flats and new yachts on our doorstep.

Thankfully this is what people in Salford, and all over, are facing up to as anti - rich grafitti and hatred becomes more and more widespread.

LEFTIES

A bloke called Engles was a rich mill owner in Salford around the turn of the century.

He "studied" the working class in Salford, as well as writing a few books and financilly supporting the lefts great hero Karl Marks.

The lefties in Salford don't seem to be embarrased by the fact that a lot of their philosophies were thought up by, and financially promoted by the class enemy!

If Engles was alive today and living, as he would, in one of the yuppie houses. At least CLASS WAR would tell him to fuck right off, even if the hopless, snivelling left wouldn't.

WALLS COME TUMBLING DOWN

PRAGUE PROTESTER CALLS FOR THE CASTRATION OF THE SECURITY POLICE.

AS THE BERLIN WALL CRUMBLES DOWN THE CHANCE OF A UNITED WORKING CLASS BECOMES EVEN GREATER. FOR TOO LONG THE RULING CLASSES HAVE MANAGED TO DIVIDE US ON THE BASIS OF EAST AND WEST. And who has smashed this division ?. Not the Thatchers, Kohls and other war mongering Western politicians, who use the word freedom as if-it is going out of fashion.

It was the working class in East Germany who got out on the streets in their millions. Within a matter of weeks they had forced the Communist Party to send in the bulldozers.

REPRESSIVE

Many East Germans may have illusions about the West which no doubt will soon be shattered. As one East German woman said on TV;

"People think it's the Golden West, that everything is free. Probably only a third will make it, the rest will go back."

Before the East Germans get too carried away with their newly found "Democracy", they should look at Poland.

Solidarity took over from a repressive communist government.The working class have had to learn a few hard economic lessons.

CONCESSIONS

Cigarettes, cars, food and coal prices have shot up as Solidarity ended subsidies. However not everybody in Poland is suffering. It has the highest growth rate in the world for the number of BMW's and Mercedes owners.

Poland's rich scum dine at the posh resturant "Gesskers" in Warsaw, which would cost the average Pole two weeks wages!

This is what the East German working class must not allow to happen. They will have to *completely over-throw the government and not give in to mediocre concessions.*

BIBLE BASHERS BASHED!

THE DECISION OF SENILE, COFFIN CHASING JUDGE, HARRY "PUPPIES" BENNET QC, TO DROP CHARGES AGAINST MR ALVIN WILKINSON, A CHRISTIAN COUNSELLOR, OF SEXUAL ABUSE HAS SHOCKED LOCAL RESIDENTS INTO ACTION.

Wilinson, and his wife Ruth, of Frome road, Longhill estate, Hull. Set up a "Helpfull Christians" counselling service ten years ago, to cover up their degrading sexual rituals carried out with fellow "christians".

"CHRISTIAN VIDEOS"

The trouble started when they made the mistake of inviting three young boys, from the estate, to watch "christian video's". What they were shown in fact, was sickening sex video from Scandinavia.

It was then that he approached the boys whilst his wife filmed it.

The Wilkinson's are now on the run following a spate of attacks by angry residents who have;

* Smashed every window, time and again.
* Destroyed their fishpond, and took the fish!
* Ripped down their trees and ripped up their fences.

Class war . .

PUPILS at a top public school were confined to its grounds for safety yesterday after being ambushed by other boys.

Three 15-year-olds from Millfield School in Street, Somerset, were roughed up.

Boys from nearby Crispin comprehensive school are said to have been involved, along with local youths.

BATTERED BLUES!

THE NUMBERS OF HOSPITALISED COPPERS ON HUMBERSIDE IS STEADILY INCREASING.

It's been recently revealved that last year there were 270 assaults on the 1,972 strong police force!

VICTIM

One victim was PC "Sloopy" Vickers, he was patrolling in Winterton when he was knocked unconscious after being headbutted and suffered eye, cheek and mouth injuries!

BATTERED

PC Micheal "Blackeye" Harrington and Det.Con. Micheal "Choker" Hartly got a right kicking when they attempted to arrest a youth outside a Hedon nightclub.

Harrington received repeated blows to the head, and Hartly was almost strangled to death!

POUNDING

Theres not only figures indicating #n increase in hospitalised coppers. Theres a LOWER overall crime rate, less muggings, less burgualy, less attacks on women, loss ANTI-SOCIAL crime in general.

Which means one thing, that a rising tide of working class people are seeing through the barriors that keep us all divided. Thoy are focusing their anger on the real enemy.

The poor porkers are now shitting bricks and we'll be there, on the spot, to give you an up to the minute report on the latest pounding the battered blue line's getting!

GREEN GROCER

The high street Green revolution, is providing fat profits for the Eco-capitalists, and their hangers-on.

Stores (Tesco, Sainsburys, ASDA etc) who a year ago wouldn't have dreamt of selling "Green" products are now falling over themselves to be the "Greenest Grocer".

They have all cashed in, in a BIG way, on to peoples rightful concern for the environment.

These stores, and their partners in big business, are busy trying to convince us that we buy back the damage done to the environment by buying Phosphate Free washing powders etc.

The truth is that the damage is done, and the only way to stop further ruin is to replace the consumer societies we live in, with societies based upon need, and not the endless search for profit.

SS.ACT

THE SOCIAL SECURITY ACT IS THE LATEST ACT TROTTED OUT OF PARLIMENT BY THE TORIES.

Most people will have only just heard about it, thats because the Tories and Labour have been keeping very, very quiet about it.

So us generous gits at CLASS WAR have decided to fill you in with the details;

THE ACT HAS THREE BASIC AIMS:

1) To force umemployed peole into low/no pay jobs, so getting them of the unemployed register.

2) To stop unions striking, ET, as it has in the USA, provides a massive pool of labour, with no choice about which jobs they want. Very often forced into "scab" jobs.

3) To force down wages in the already low paid areas, ie part time unskilled, and casual.

11 THINGS YOU NEVER KNEW ABOUT E.T.

1) It's not just a dumb film, staring a ugly long necked alien It is a all new social serurity act.

2) Under the new act you have 1-13 weeks to find work. If you don't, and can't explain why, you're benifit is stopped.

3) If you refuse ANY job, even if it's for less than your dole money, your money will be stopped.

4) Each time you sign on, you will be asked to provide evidence that you have been "actively seeking work" (what proof is actually required is left deliberatly unclear) but things like job application letters are alright.

5) If your dole is stopped, the only way to get it back is (surprise, surprise) by going on ET.

6) On both ET and YTS the Safety Standards at work have been stopped.

7) In the USA similar schemes called "workfair" are used to break strikes, by providing scab labour.

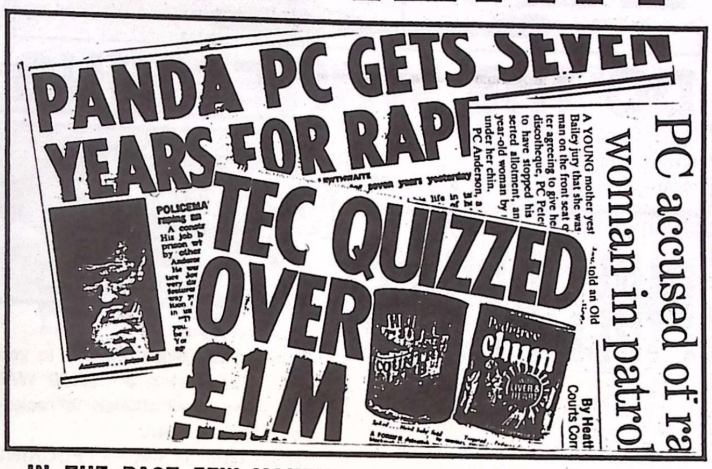
8) The minimum wage act was abolished to pave way for this bill.

9) The bill is linked to the gradual introduction of two their education (city tech collages etc). Where the "cream" will be taught well, and the rest will be the "factory fodder" of cheap, unorganised labour.

10) If you have a job, you can't leave UNDER ANY CIRCUMSTANCES and get benifit, unless you have been made redundant.

11) The bill is badly flawed, and easily dogeable, get in contact with your local welfare rights group for details. Or contact; SERAWM, 72 West Green Road, London, N15.

THE FILTHY FILTH



IN THE PAST FEW MONTHS THE FILTH HAVE BEEN HAVING A RIGHT HARD TIME TRYING TO PERSUADE EVEN THE MOST RADID "HANG 'EM HIGH" TORY THAT THEY ARN'T THE CONIVING, LYING, FITTING UP BUNCH OF BASTARDS THAT THEY REALLY ARE.

Outside of the towns and cities, the cops have always been able to count on the fact that a lot of people, mainly the middle aged, middle class, "Terry and June" types. STILL believe that the police do a good job, and are there to protect us.

This sudden "crisis of confidence" which everybody has been having with the police started back in the summer.

First off, the WEST MIDLANDS serious crime squad, suffered a number of embarrasing court judgements.

People, some who had been in nick for years on remand, were having their cases thrown out of court, because of evidence showing they were fitted up!

GOD SQUAD

Each new case led to others being found, eventually THE ENTIRE SQUAD was sacked. It was so riddled with corruption that every arrest it made in the last six years is to be looked into.

Right on that scandals heels came the strange case of PC "JED" Chorley.

This bizzare character was a serving officer in Jim "God squad" Anderton's Greater Manchester Police.

For 17 years he lorded about south Manchester, treating it as his personal fifedom. Amongst his exploits are;

He arranged degrading initation rites for new constables. He took protection money from pulicans. He ran a side line in supplying guns to armed robbers. He notched up over 16 complaints for violence from the public, many during the Miners strike.

HIDEOUS

He was eventualy found guilty of suppling guns to criminals, and armed robbery, and got 18 years for it.

Nothing strange here you say, sounds like a million other cops. Well it seemed what made him different was that he had a very senior guardian angel looking out for him. These senior officers protected him from internal questioning for a very long time.

There are few crimes more hideous than rape. And few criminals more deserved of severe punishment than the rapist.

Yet in mid October PC Peter Anderson was found guilty of raping a women in his PANDA CAR!

This piece of scum lured the trusting women into his car, raped her, then rubbed it in by claiming that she consented.

BLACKMAIL

This meant she had to undergo the ordeal of reliving her assault in court. A copper for 20 years, he escaped with only a poxy seven year sentence.

Remember the baby food poisoning earlier this year? Want to know who was behind it? Come on down Det Rodney Witchela!

Rodders, an ex-detective with the regional crime squad, happily blackmailed baby food giants Heinz out of over 14 grand! He spiked the baby food, sent demanding letters, and sat back to watch the dosh roll in.

October the 20th, saw Rodders nicked, making a withdrawl on a suspicious account.

FRAMED

Serious as all the above are, this last case strikes right to the heart of British "justice".

The Guildford four were sentenced to LIFE in jail, in 1974 for IRA bombings which they had nothing to do with!

TWO appeals, also found them guilty. They protested their innocence, and eventually 15 years later, the Home secetary quashed the convictions.

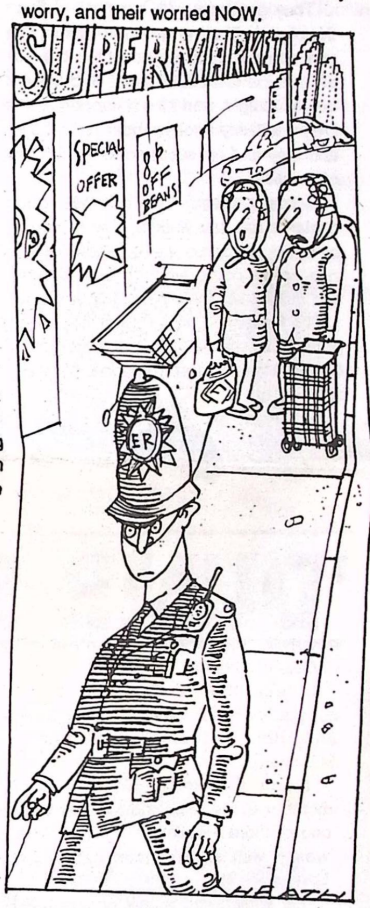
Then the shit really hit the fan. It came out that senior police officers, including the present head of the Met, had FRAMED vital confessions, as well as serverly mistreated the four during questioning.

SUPPRESSED

Alibi statements proving their innocence were suppressed at the highest level ie, Director of public prosacution, and the Home office.

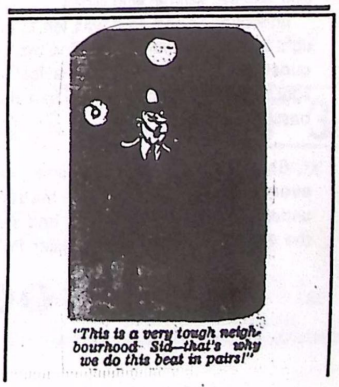
These statements were kept secret for 15 years, while innocents rotted in jail. The establishment only atmitting the truth when it got out.

The middle class will torerate certain police corruption, as long as nobodies hurt and only "criminals" get fitted up. But when it's their sons and daughters who are abused, or framed, then they worry, and their worried NOW.



'He says it's 11.30, but you don't know what to believe nowadays, do you?'

It's got so bad senior judges are dicussing "the fall of British justice" and the Scum has headlines screaming "Why we must trust the police". To late dickheads, the damage is done!



"This is a very tough neighbourhood Sid—that's why we do this beat in pairs!"

'SHIT HOT!'

Dear Class War,

I've just started reading your paper,(shithot) keep up the good work. I'm well pissed of at the whole law system, I'm up in front of the beak in a few months for possession (2oz of draw).

Yet some Tory scumbag whose been interefing with kids or something gets of scot free. Even Judges, kerb crawling, drunk driving, sex offending,(you name it, the bastards are into it) yet what happens, I'll tell you, FUCK ALL!

MURDER

They get away with murder. Even the pigs do it, seven wooden tops sit in a van, see someone they dont like the look of, kick the shit out of them. And when it comes to light, sod all will happen, some judge will say "you're been silly boys" and they end up suspended, on full pay of course!.

It really pisses me off that these bastards are just walking about hideing behind a uniform or sat on some bench, in a crown court, wearing stuipid wigs, and dishing out there own fucking laws.

The House of Lords (bunch of fucking grave dodgers) yet they run this country. Guy Fawkes had the right idea, blow the bastards up!

PHILLIPPINES

To Class War,

Hi, greetings from the Phillippines. I wrote to you coz' I read issues No 33 and 34 of Class War and I think its good.

It interests me a lot coz' here we experience much more of the oppression of the goverment and ruling class. In your paper we could use some tips on how to make changes in our society.

If the people here could read your paper we could make some changes that would enable us to stop the ruling class in they're doings in our communities

So, if you like, we would like to be your contact for the Phillippines.

Keep up the good work,

A.ENDONILA

(Manila, Philippines)

INTELECTUAL BULLSHIT!

Dear Class War,

I would like to sell Class War in my area. I find the paper is the only political paper not tied up to boring pseodo intelectual bullshit that puts off working class people.

Keep it up,

K.Gwynn! (W.Midlands)

'IT'S A SCREAM'

Dear Class War

Following my recent enquiry to your selves after seeing a CLASS WAR sticker. I was well chuffed to recieve issue 36 of your paper.

What can I say - FUCKING BRILLIENT! My views exactly on the rich scum, tory twats, yuppie bastards, and of course everybodys friends, the FILTH!

LACKEYS

It's disgusting to think that while ordinary working people are bursting their balls to make a living, fuckers like the yupples, royals and rich vermin are, quite literally, making a killing at our expence - maybe its time WE made a killing!!!

As a part time worker, I'm treated like scum by the middle class foremen and such like, lackeys of the bosses simply because I'm working class.

IT'S A SCREAM

To make matters worse, from October, Thatcher (the fucking bastard) has arranged things so that people like myself, (with berely enough to live on) don't even get the pittance of so-called unemployment benifit EVEN THOUGH WE STILL PAY THE FUCKIN STAMP!!!

Anyway, heres a fiver for a Sub, and some stickers, so I can spread the word and hopefully worry a few class enemies in the process!

Sorry I can't use the Subscription form, but some mates have borrowed the paper. Seems everybody thinks... CLASS WAR - IT'S A SCREAM!

Looking forward to hearing from you.

'DUMB STRUCK'

Dear Class War,

I feel that I must write and congradulate all concerned on a very enlightening conference held in Manchester.

I can remember when I was a member of the SWP and took my wife to one of there meetings. The speaker was a well spoken man called Colin Barker.

He was giving a talk on the N.H.S., after spouting on for over one hour the floor was open to questions. My wife stood up and told him that she never understood anything he had been talking about (neither did I) and could he go through his talk again.

The SWP hacks was dumb struck, who was this woman who didn't understand? and so it was left to one right bitch to answer her. The bitch in question was Sarah Carver, a leading light in the SWP, and a right middle class bastard.

"FUCK OFF!"

She told my wife that she, and everybody else at the meeting understood what the speaker had said (he was a lecturer at Manchester Poly) and that she must be stupid.

The result was that my wife told her to fuck off and she would never go to any meeting again. She then walked out followed by me, and about ten other working class people (who also didn't understand what the fuck he was on about)

The point I'm trying to make is this, every government that has been over thrown, has been so by the uneducated masses-and its the interlectuals who have always betrade them.

Its men/women who are highley educated who are screwing the poor, and if you ask them, they will always tell you its not their fault, it only their job. I have always told them to fuck off, its them who are proping up the fucking Capitalalist system.

Anyhow, keep up the good work, I'm look forward to the new paper.

Bill.

(Salford, Manchester)

PS - After finishing her degree, Sarah Carver went on to become the Editor of the News of the World. The biggest anti working class newspaper in Britain!

'PEE WEE HERMAN'

Dear Class War,

I've just finished reading issue 36, M.P. of York's letter, I couldn't help feeling, was stating the obvious!

All football supporters know that the old bill have always taken liberties at football matches, and since the goverment inspired hysteria of the last few years, the bill have had a free hand to pull anyone they fancy, for any reason they dream up.

If you're pulled, you're fucked, simple as that! Unless you can rustle up half a dozen vicars for the defence!

About Colin Moynihan (Britains answer to Pee Wee Herman) we've got no change of getting him on the terraces. The little bastard wouldn't dare to come down onto any terrace, anywhere, with or without body guards!

Nuff said,

C.Smith (Durham)

POLAND

Hi Comrades,

My name is Irek and I'm from Poland. I wrote to you because I would like to get some information about your group.

I've read that you are a group which is into using violence against the Police, rich etc.

I'm fed up with anarcho-pacifists, I share your views. I'm for violence, I'm for active resistance, because people who have power won't give it up after peaceful convincing.

Your friend from Poland,

IREK

(Poznan, Poland)

WHAT THEY SAY...

Glasgow CLASS WAR have been busy flogging loads of papers recently, and while doing so have collected a few quotes from some folk who have been avid readers;

MIKE WATSON M.P. (Labour, Glasgow Central) "Brilliant...fucking brilliant"

BILLY CONNOLLY. "I only wish I'd read this before I started poncing about with the Royals"

ANDY ROXBOROUGH. (Scotland team captain) "This is a must...Is it on sale in Italy?"

DON'T JUST SIT THERE

SO YOUR PISSED OFF WITH WHAT'S GOING ON AROUND YOU...YOU'VE READ CLASS WAR, AND YOU LIKE THE ANGLE, SO WHAT DO YOU DO NOW?

Well sorry, but we offer no quick solutions, no leadership which you can be bottle fed by, because we believe the working class can only be free if it takes power, as a class, at the grass roots, on the streets and in the factories. With no leadership, no political parties, doing it by ourselves, for ourselves.

We say, just get on with it, where you live, where you work, where you go to school...and if you want, give us a hand in getting these ideas across.

Apart from what we do at work, and where we live, CLASS WAR'S activity is mainly selling the paper. We do this by putting it in local bookshops, newsagents, recordshops etc, but above all, by STREET SELLING, or selling to your mates...standing outside stations or on the High Street on a saturday.

CLASS WAR doesn't believe it is the be-all and end-all of peoples lives. We don't demand all your time and energy.

We want more people, however, to be involved with the CLASS WAR FEDERATION, as we think the CWF is one of the best ways of getting revolutionary ideas across.

CLASS WAR, already sells many thousands of copies, copies which in turn, are read by many thousands of other people. We want, with your help, to be able to get over to even more people. You can do this in a number of ways;

GET IN TOUCH WITH YOUR LOCAL GROUP-START A LOCAL GROUP. By getting in touch with your local group, you can get involved in CLASS WAR activity in your area. Or drop us a line, and we'll give you all the help you need to start your own group up and running.

TAKE OUT A BULK ORDER. If your an individual, you can order bundles of papers from the BRISTOL ADDRESS, for only 15P a copy!!!(plus a little for postage) Send us £1.50, and we'll send you 10 papers to flog to your mates, at work, school, or on the street. They sell for 30P each, so you'll be making a bit for yourself to!

TAKE OUT A SUBSCRIPTION FOR CLASS WAR. For the bargain price of only £2.00 per year, you can have each and every copy, delivered to your door, as it comes out (Bi-monthly).

Or you can become a "TURBO" subscriber. For £7.50 per year, you get; 1 years subscription, a copy for the "Heavy Stuff", and goddies like stickers and badges! The idea of "TURBO" subscribers, is that the extra money is ploughed back into the paper, so keeping the costs down.

SPREAD THE IDEAS OF CLASS WAR. Through things like grafitti and putting up stickers.

So, DON'T JUST SIT THERE!, get up of your arse, and GET BUSY! CLASS WAR, YOU KNOW IT MAKES SENSE!

THIS IS CLASS WAR

THE CLASSS WAR FEDERATION IS AN ORGANISATION OF LOCAL GROUPS AND INDIVIDUALS YOO HAVE COME TOGETHER TO DO SOMETHING ABOUT CHANGING THE SOCIETY WE LIVE IN.

WHAT WE BELIEVE

THIS SOCIETY IS DIVIDED INTO CLASSES BASED ON WEALTH AND POOR. THE RULING CLASS WHO ARE SUPPORTED BY THE MIDDLE CLASS...AND THE WORKING CLASS. SUCH A SOCIETY IS THE CAUSE OF ALL THE PROBLEMS EXPERIENCED BY WORKING CLASS PEOPLE THE WHOLE WORLD OVER. THIS CAN ONLY BE SORTED OUT BY THE DESTRUCTION OF THE RULING CLASS BY THE WORKING CLASS...THIS IS CLASS WAR ! REAL CHANGE CAN ONLY COME ABOUT THROUGH WORKING CLASS PEOPLE ORGANISING THEMSELVES TO DEAL WITH THE PROBLEMS THEY EXPERIENCE, USING DIRECT ACTION AGAINST THE INDIVIDUALS AND INSTITUTIONS RESPONSIBLE FOR THEM...THERE IS NO ALTERNATIVE. VIOLENCE IS A NECESSARY PART OF THE CLASS WAR, BUT ONLY AS MASS CLASS VIOLENCE OUT IN THE OPEN, NOT ELITIST TERRORIST ACTIONS. THE LAW IS MERELY A WEAPON OF THE RULING CLASS AND MUST BE IGNORED AND BROKEN WHEN THE NEED ARISES. THE RULING CLASS DIVIDE US BY GETTING US TO FIGHT EACH OTHER ON THE BASIS OF STUPID THINGS SUCH AS RACE, SEX, SEXUAL PREFERENCE, AGE OR FOOTBALL TEAM YOU SUPPORT. WE WILL DESTROY THESE BARRIERS. ABOVE ALL CLASS WAR BELIEVE POLITICS IS LIFE AND LIFE IS POLITICS. WE REJECT THE BORING CHARACTER OF THE SO-CALLED "REVOLOTIONARY" GROUPS. POLITICS MUST BE FUN, IT'S A PART OF ORDINARY DAY TO DAY LIFE AND MOST BE ABLE TO TAKE THE PISS OUT OF ITSELF !

OUR AIM

THE AIM OF THE CLASS WAR FEDERATION IS NOT TO LEAD, BUT TO INCREASE THE MILITANCY OF WORKING CLASS PEOPLES ATTEMPTS TO SOLVE THEIR PROBIEMS THROUGH PROPAGANDA, ACTIVE PARTICI-PATION AND DEBATE AS EQUALS.

WHAT WE DO

THE CIASS WAR FEDERATION PRODUCE AND DISTRIBUTE PROPAGANDA - A PAPER, JOURNAL, LOCAL LEAFLETS AND NEWSLETTERS. WE ARE INVOLVED IN WORKING CLASS STRUGGLES AND WE ENCOURAGE INVOLVEMENT IN THE CLASS WAR FEDERATION TO DO THE ABOVE, FOR DISCUSSION, AND FOR A LAUGH!

SPORT

The Rogues Gallery.....these are the men who control our game.

All are members of the F.A. International Committee who decide on the England manager and carry out other tasks in the destruction of the game we love.

Arthur Clark(aged 68)...chairman of the Skol Northern League.

Charlie Thomas...of Northumberland and Durham F.A.

Ray Kiddel...secretary of Norfolk F.A. and manager of a certain major Norwich based insurance company. A rich bastard.

PAUL JARVIS

JUNKIE JARVIS DOES A RUNNER

Paul "Junky" Jarvis, nowadays better known for his drug habits than his wayward fast bowling for Yorkshire, has faced a torrent of hate mail, death threats and physical abuse since signing up for the rebel cricket tour of South Africa.

The past few months have seen more cricket balls flying through his windows than seen at Headingly.

Jarvis now plans to move from his home in Redcar, mortgage paid for courtesy of Apartheid, to a secret location.

As if!!!

STEAMIN' IN

IT'S A FUNNY OLD GAME, FOOTBALL, JUST 22 BLOKES RUNNING AROUND KICKING A BALL.

But at the same time almost a religion and faith to many. To millions of working class young men their whole growing up has been based on football the game, the teams, the social life...and the violence.

The Tory scum, rugby, rowing and cricket lovers to a man, hate not so much football, but the fans. The hundreds of thousands of working class people, who every Saturday go through the turnstiles - paying through the nose, to see their team play.

ATTACK

They hate them because football fans frighten them, frighten them on the streets, and frighten them when because it's working class people coming together.

They've tried to ban the "mass strike", they push TV at us all the time, (keeps us of the streets), they attack acid parties.

Steamin In, is a book writen by a fan - the sort of fan who frigthens those people on the streets - To me though, a brillant book.

It's about a young man growing up, In this case, growing up through the friendships and violence of the terrace, the fun, the excitement, the travelling of the game.

CONTEMPT

There's no message, it's just basically an honest book about what you do when your young. A bit like a mixture between Richard Allens "Skinhead/Bootboy" books of the 70's, and some down to earth thinking against the filth, against racism, against ID cards, against the patronising and contempt of the FA.

It's exciting and easy to read, though to be fair, the inter-team violence, with all the divisions that it brings, does your head in.

It ends up with a plea for the fans to be listenned too. Fuck all chance of that happening the way things are now.

THEY'RE NOTHING

The whole book also shouts the potential we have. Strong and united, we'll win. The fans who fight each other, or plea to be listened to will never win.

If all the violence of the Terrace was turned towards the cops, they wouldn't stand a chance! Against a united working class, THEY'RE NOTHING!

RIOT REF RAPPED

A soccer ref from Birmingham who joined in with 60 rioting fans was sent down for four months for looting a jewlers shop!

The fans ransacked the shop, in Blackpool, taking over £8,000 worth of of posh jewellery, and shared it equally after a sandwich board was hurled through the window.

Cops arriving on the seen, faced a torrent of missiles, and when they did eventually moved in, only the poor ref, and two mates, were nicked!

'PIXIE'S POSTIES PACKET'

IT CAN'T BE TO MUCH FUN BEING "PIXIE" MOYNIHAN'S POSTIE AT THE MOMENT.

The latest items to be delivered by the Royal Mail, to his home address, was a packet containing two used condoms.

Baby Colins response was to say; "We wonder whether these are true football supporters". Perhaps Colin thought he'd found a bigger wanker than himself.

See issue 35 of C.W. if you'd like Baby Colin's address. Just in time for Xmas...

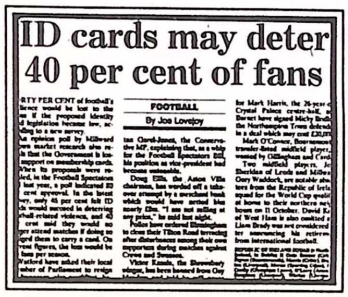
MASSIVE LOSS

And while we're on the subject of ID cards! A recent poll by Millward Brown market research, has shown a WHOPPING 40% of football fans, asked will STOP going to football matches if the scheme comes in.

This massive loss of fans, and their money, will mean dire straights for almost every leauge club...watch this space for more news.

Talking of losses...Watford have asked their Vice-president, local Tory MP, Tristan "Shithouse" Garel-Jones to sling his hook, because he supports the ID card scheme.

Well, okay he's not a loss at all really!



ID cards may deter 40 per cent of fans

FOOTBALL

By Joe Lovejoy

SACK THE BOARD!

SO THE ID CARDS ARE TO GET A TRIAL RUN AT VARIOUS FIRST DIVISION CLUBS.

Chelsea's board say they are co-operating to prove the scheme is unworkable. Collaboration is collaboration, we don't care whether the scheme can be made to work. If it can, then its in all football supporters interest to make it unworkable.

ABOUT TURNING

The Chelsea board has shown how much it will stand up to the government. They can say their against the ID cards till the cows come home, but thats all hot air, if they then turn round and help in its implemention.

All they are worried about is their profits, as always, and not the fans. If the scheme can be made to work they'll be about turning straight away, and conviently forgetting their past opposition.

"I WANNA RIOT"

THE TORY TABLOIDS, WENT BARKING MAD THE OTHER WEEK WHEN JOE "ONE FOOT IN HIS MOUTH" STRUMMER SPOKE TO STUDENT RAG NME.

What did young Joe, star of last years, Rock Against The Rich tour, put on by noneother than CLASS WAR, have to say that got the Metroplitan Police taking legal advice, and Tory MP Geoffrey "rent a guote" Dickens, foaming at the mouth?

What Joe said was that England football fans, in Stockholm, were provoked into looting posh jewellery shops;

RAMPAGE

"There were jewellers' shops in Stockholm that didn't have bars on the windows. To people who have nothing that is provocation"

To fucking right Joe, those rich bastards flaunting their wealth in front of us deserve to get robbed.

The rest of press stories about "his heart swelling with pride when he see's England fans on the rampage" are a lot of crap.

He did say that, but it was about eight years ago after some continental coppers got a bashing, instead of the opposing fans, at an International.

Joe does have a habit of putting his foot in it...but his hearts definately in the right place.

WHEEZING WINDBAG

CLASS WAR HAVE ALWAYS BEEN GREAT BELIEVERS IN HEALTH AND FITNESS!

After all you can't get up to much if you're a wheezing windbag, on sixty fags a day, and drinking gallons of rough cider!

And as these two clipping show, a healthy attitude to sport, can keep you one step ahead of the fifth!

Star striker on the run

LONDON — An escaped prisoner scored a goal in an amateur soccer match and kept on running — straight off the field — after spotting police on the sidelines. Convicted robber George Graham failed to return to a low-security prison at the end of a one-day parole in September. But life on the run did not stop him joining the amateur Camp Hill team in the Midlands and scoring two goals in a 7-1 win over King's Crusaders on Monday. He did not stay to savour victory.

An amateur league official said Graham netted the ball and kept running: through a hedge, down a lane, over a gate and across some gardens before disappearing. Police said they were looking for a man in a blue-and-white striped shirt, royal blue shorts and soccer boots.

RELEASED from Ford prison to take part in the Mayhurst Village Olympics, Mr Peter Overy came in an easy winner of the 100 yards dash, burst through the tape, kept going past the spectators and the police, and has not been seen since.
